

13th Annual Minnesota 4-H Dairy Showcase

Sunday, Aug. 29, 2021

How does it work?

Minnesota State Fair 4-H dairy cattle exhibitors who receive a purple or blue ribbon in their respective class are eligible to participate. Youth also complete a leadership portfolio and earn points based on his or her project leadership, dairy-related activities and community involvement. Bonus points are given to individuals receiving champion and reserve champion honors. A committee of judges will select 25 recipients in the senior division (grades 9 and above) and 10 recipients in the intermediate division (grades 6-8).

What is the leadership portfolio?

The easy-to-complete, online leadership portfolio asks youth about his or her involvement in the dairy industry, 4-H, community, church and school activities. Two short essay questions will give youth the opportunity to display what they've learned from the project.
